TO GROW YOUR OWN FOOD?
Kendi Yiyeceklerinizi Yetiştirebilece iniz Bir Alan

An allotment is a small piece of local land where you can grow food for yourself and your family. It is also a place to relax and meet people.

More allotments will be available after the Olympics. To take advantage of this opportunity you can put your name down for a plot. We are interested in your views on how these allotments could be designed. We invite you to give your ideas to us at the Manor Gardening Society

If you would like to join the
waiting list for a Legacy Park plot
please provide contact details:

Thank you from all at
Manor Gardening Society
temporarily located at
Marsh Lane Fields, Off Marsh Lane, Leyton E15
www.lifeisland.org

The Manor Gardening Society is very grateful to Villiers Park Educational Trust for its support towards this survey
